

Carlton County Extension Community Connect Class Announcement:

Connect with Nature using the iNaturalist app!

- One of the world's most popular nature apps, iNaturalist helps you identify the plants and animals around you.
- Get connected with a community of over 750,000 scientists and naturalists who can help you learn more about nature!
- What's more, by recording and sharing your observations, you'll create research quality data for scientists working to better understand and protect nature.

Thursday, March 19, 2020

6:00-7:30 p.m.

**Carlton County Transportation Bldg.
1630 County Rd. 61, Carlton**

\$5 at the door, 18 and under are free.

iNaturalist is a joint initiative by the California Academy of Sciences and the National Geographic Society

Joe Walewski, Director of Naturalist Training at Wolf Ridge Environmental Learning Center along with 4 other naturalists from the center will give us a hands on demo. on how to use this app. Bring your camera or smart phone and download the app before the class on either Google Play or the Apple App Store! We will be outside for part of the session.
